John Shaft Jr.BlazerNobody uses BlazeRotate anymore?

I do. I still got the Simpsons theme you made for Renegade. Its still have it uploaded. I never get tired of hearing Mr. burns say "Excellent" everytime I get a kill.

My favorite one though is when you hop into the Stealth Tank and hear "I am evil Homer. I am evil Homer." I still laugh at that one.

I use the "I am evil Homer" for my normal boink. It is so long that sometimes I'll get 3 or 4 "I am evil Homer"s going at once. It sounds really freaky.
