News

Ex-Westwood and C&C music guru Frank Klepacki has posted up his February update at his WEBSITE. Included in the update is the announcement of the new game 'Universe at War' he is working on at Petroglyph. I've already posted about that on the DEN.

Of interest to C&C fans will be some very old videos from the Red Alert days (tv spots) from Westwood Studios. Of course, Frank's music is featured. So for your nostalgia fix, check out the links below.
