trooprm02 wrote on Thu, 08 February 2007 19:22btw, im not to sure, but im guessing running the ren ladder @ cw.cc takes alot of time and alot of ren playing, so it even really woundlnt be a real game if he plays almost 24/7 for the past alot of time (sorta like f100d3d) while I get into public servs once a week. Its like cs, the more you play, the faster you get better so ppl like f00d3d (and maybe spoony, im not sure about him) have a huge advantage over reg players obviosuly... I tend to average about 50 clan games a month these days.... public server games, maybe another 30 on top of that.
