Berkut wrote on Thu, 15 February 2007 17:39: I remember, Tiberian Sun was "owned" by EA, but they didn't involve themselves that much. They let Westwood do as they pleased, and the EA logo on the box was almost microscopic. When Generals came around, however, it was EA holding the reigns.

PS: Westwood, along with Virgin, were responsible for The Lion King on Sega Genesis, one of my favorite games when I was just starting gaming.

EA also owned RA2, and Renegade, but luckily for us they were still letting Westwood do as they pleased, but it looks like our luck ran out before Ren 2.
