is that blood on the terrain or related to death syndrome?  
how did you get the camera in the bike avi? oh and, whos maxton? why is he in the chatbox?  
edit: one more thing, do you have perm for the advertising? sorry if i am being annoying, but i  
mean the games in the shops as billboards, eg windos and warcraft?  
id would have expected the recon to finally pay from going crazy in rens engine. i guess its one of  
those always standing vehicles.
