Duke of Nukesif I'm the idiot that thinks Vietnam is one country...then you're the idiot that thinks the civil war happened in the 1960s :rolleyes:

LOL...

Where exactly do you come up with this crap? Not one post in this thread has gave even the slightest indication that the person thought that the civil war was in the '60s. I find both your ability to make stupid crap up as you go, and your extremely stupid "I mean...it's not like the Iraqi fort in Virginia was being heavily reinforced or anything" statement very humurous.

(You even got the statement quoted above wrong. You're the idiot that thinks South and North Vietnam are still two seperate countries. )
