According to mex's SS's, used a "trooprm02" account (which i did have way back and forgot the pass so didnt use it, hence my junk acocunt). Spooky just check+post the last date an account by the name "trooprm02" had logged in, and I have proven my point.
I think you would have proven your point if the troopmr02 account was not made by you.

My point exactly, and im not sure where mexpirate got the SS from so maybe someone from cw.cc can explain where/how you get that screen?
