Pay attention kids, I'm only gonna show you these secrets once

The final steps? Act like a total dickweed with a holier-than-thou attitude, accusing APB of copying your trademarked 'dual weapons' concept and possibly get yourself banned in the process.

Trust me. This is a proven method; my mod's 700 megs so I must be right, huh JeradGray?

Further study: Final initial

Don't forget to get yourself some Street cred so that nobody will doubt you for a second that you're the modding master and couldn't possibly have been accused of stealing an AK47 just the week before!

Discuss please.
