He definitely claimed it as his own, didn't he

Besides, I'm quite certain he was parodying Chronojams constant bitching about everything being stolen from APB. So he posted that. If anything, I applaud him for doing it. It's rather annoying seeing CJ's constant whining (like this topic).

I bet none of the APB forumgoers read that because it didn't get brought up. Then again, not many of the APB forumgoers come here anyway on a regular basis. Meh, the amount of whining and 'holier than thou' comments that Jerad Grey made was bound to lead to a topic like this anyway.
