Cabal8616 wrote on Sat, 24 February 2007 12:07Dictionary.com In military usage, a distinction is made between strategy and tactics. Strategy is the utilization, during both peace and war, of all of a nation's forces, through large-scale, long-range planning and development, to ensure security or victory. Tactics deals with the use and deployment of troops in actual combat.

So then strategies don't exist in Renegade. Semantics aside, it's pretty clear you have no idea what you're talking about.
