Umm, that city will be underused because its at the side of the map, make it in the middle so you have to go thru it to get the the other base.

Also, try out this tutorial.

<http://renhelp.net/index.php?mod=Tutorials&action=view&id=21>

Thats the tutorial that helped me most when starting out. I would reccomend doing a smaller map for your first map and try to stay in the box untill you get the hang of things. Im speaking from experience, but you dont have to listen.
