During stage 21 I was getting really bored, so I thought I'd stop when I reached a million points, I did, but finished off the round. Stats:

Wizards 100

Craftsmen 35

Archers 415

Enemy Casualties 6500 +

Last Unit Upkeep price about 100000

Spendable money about 456000

Total Points 1081730

I'm tired, I've spent an hour on this damned game.
