Sh\*t, I think I found a floor-gnome nest!

(Excuse my absence. When the forums went down, I kinda forgot about it. I checked back a few times, but it was still down, so I kinda gave up, and didnt check back before today. I was surprised to find that the thread is still at large, and that so many are still posting. Very moving, \*sniff\* \*sniff\* )

Now, for the latest breraking (OK, its a few months old, but still...) news about the War on Gnomes, check out this report detailing the gnome invasion of MIT.
