I just got a new one, and another lappy so I had to get wireless router, hence my static IP. Ping it, still on phub.rogers.ca.

Anyway, too bad curt never said ANY of that, got logs or SS? Thought so, although I did. I NEVER said curt was in my clan, I SAID he was a reject. He sucks donkey balls (but still 0wnz u) and doesn't even stand a chance for even a tryout You dodged a 3vs1 (ROFL) and now you finally agree to it after saying, "no u h4x al0t", LMFAO, GG
