Sole Survivor?

Dude, Soul Survivor isn't TD Even though they are closely related.

There's a Renegade mod called Sole Survivor.

Sole Survivor was its own game. The Sole Survivor for Renegade is based on that game.

I disagree with the idea to disable exiting your vehicle. I'm not sure if it's even possible to do for just drivers and not passengers.

I think it would be interesting to play with the idea of vehicle requiring a gunner. As in, the driver cannot use the vehicle's weapon at all. Such as in planetside.
