---

I decided to make a simple text replacement for renegade Only works for u no one else will see it ingame.

---

-----

1. Extract Strings.tdb to your default westwood/renegade/data folder
2. Load Renegade and Go

---

Changes-

---

Destroyed to Terminated

Purchase Request Granted to Access Granted

Killed to Defeated

Buddy List to Friend List

Not logged in to Offline

Logged in to Online

Credits to Money

Time remaining to Time Left

Host to Admin

Building... to Creating...

Thats Pretty much it, I think I covered it all
