So?

Other than the fact it will anger the people here, once I break away from the ties of the forum, nobody will realize it's me.

Don't you get that?

After a week or so, you're not going to be determined to "find cheek"

because you'll give up caring.

And yes, I hate cheaters, I hated myself, I'm a hypocrite.

You happy?

Your proving nothing other than what's been said.
