In my opinion, nobody should be banned because they're deemed to be "annoying". But JohnDoe does constantly break the forum rules by flaming other members all the time, often with zero provocation.

If in doubt about that last bit, just read these two threads in their entirety.

Chronojam doesn't exactly do himself any favours in that last thread either, but whatever. Anyway, the point being that if no action at all is taken, this section of the forum rules is a joke:

Quote:Harassment/Racism/Flaming: Harassment of other members, racism, or any hate speech in general will not be tolerated. Moderators will be the judge of what is intolerable, and what is not. Also, please refrain from flaming other members. If you really must, keep it inside of the Hot Issues forum.
