Diablo is cool it is never the same level twice!

Why are their barrens in the middle of hell that I can destroy and find a bow and arrow in?

"4. When objects that look very interactive are not interactive at all. "

Yah I hate that shit! You see a gun on the wall or a knife or something but you cant pick it up and use it!

"What I love about video games is the escapism from the real world."

Yah real life sucks, paying bills and stuff (lol I don't have to yet@
