I hate games when:

- > the levels are very linear.
 - > there are balls-sucking maps where you can get lost/confused.
 - > the levels have little or no lighting (Doom 3).
 - > there are no vehicles to drive.
 - > you are allowed to carry only 2 weapons. (Stupid!)
 - > corporate scum like EA make it without any passion.
 - > everything takes place inside a damned building...all those corridors and rooms make me dizzy.
- I like when maps have expansive outdoor environments (This is why I love Renegade).
