I see 2 scenarios.

1. Iran will do like they did last time they "captured prisoners", which is to put them on TV and make a bunch of threats and then let them go (probably in exchange for having their sanctions lifted, which I doubt we will do).

2. They try the prisoners in court for espionage, which is death sentence in Iran. If they kill the 15 prisoners we will probably be singing the "Bomb-Bomb-Bomb, Bomb-Bomb-Iran" song again.
