Gamespot gave it a 9.0:

[http://www.gamespot.com/pc/strategy/commandconquer3/review.html?sid=6168069&tag=topslot;title;2&om\\_act=convert&om\\_clk=topslot](http://www.gamespot.com/pc/strategy/commandconquer3/review.html?sid=6168069&tag=topslot;title;2&om_act=convert&om_clk=topslot)

I was actually expecting it to get lower, because Gamespot is made up of a bunch of elitists that only like shooters for the most part.

EDIT: IGN also just put up a review: <http://pc.ign.com/articles/776/776061p1.html>
