Nope, he was in the clan the whole time, as you know BBF has a horrible (and i mean HORRIBLE) reputation when it comes to cheaters, but im sure you already knew this. The fact is, he cheated, he in BBF (which is bad enough, let alone to cheat), admitted to it, I suppose he got caught and knew the person was going to put ti together anyway, tryed to appeal to his clan/renforums, failed and instead they agreed on the fact he would have a "clean start", he said he'd change his ip and nick etc, hence another moment in time BBF supports cheating
