lol i like points whoring on some maps, hourglass with gdi med shootin ob without taking a hit. I pointswore to draw enemy's tanks attention to come at me, n i kill their tanks without even losing mine cuz they suck at shooting me while i can shoot em better. So mostly i pointswore while making a trap for tanks to come n i kill em, not just sit n shoot buildings. Mostly on hourglass i just use a stank as NOD waiting for pointsworer tanks to come n i kill . And some other map i use MAs n i'm good at killin tanks with buncha movements with MAs even from far away. So mostly i pointswore to draw tanks' attention to come to me n i kill em
