20:21 The only ones I know is:

clown.w3d (Clown)

dino.w3d (Dinosaur)

mrtickles.w3d (Mr. Tickles aka the mutant in the tophat)

squidfreak.w3d (The squid guy with one eye)

trike.w3d (The trike... o.O)

The troll-like guy in the middle is 'withered.w3d'

I found these whilst combing the always.dat a while ago and suggested the pack to be hosted at C&C source, but nothing ever came of it.

Thanks for the congrats Merovingian

Thanks.
