While on Holiday in the shop with my homie (haha, just a inside joke) I seen the news paper and the main headline was

"Virgina Tech Massacre, 33 DEAD." When I got back to our camper van I put the news on, Then seen more about it.

News paper said; "After being sacked off by his girl friend, He killed his ex-girlfriend then went on to find her boy friend and killed him, Then made the peeps in the classroom stand up against the wall and executed them one by one."

I was like "What the fuck! dude read this!" then put the tele on and seen it all, Tho the news on the tv told a different story, His room mates also said he was obsessed with some song, Didn't catch the name, Was a crappy song imo.

32 People, This guy must have been seriously pissed.
