Feetseek wrote on Mon, 23 April 2007 20:34 Just because people have never had drugs doesn't mean that their parents shelter them too much. I'm pretty much about free from my parents but I just choose not to because I don't want to die in 3 years. =P

BTW, my parents have never had a conversation to me about drugs.

I never said that you have to be sheltered to not do drugs. I'm just saying that he has to be pretty damn sheltered to have his view on drugs and their effects.

As for alcohol, drinking it in moderation has some positive health benefits.
