gamemodding wrote on Fri, 04 May 2007 11:05 What I'm saying is, Spoony isn't bad player (probably the best there is) but what would happen if, say his mouse broke or he hit a very bad stroke of luck and lost?

Spoonys reputation would crumble.

1. I'm certainly not the best there is... as far as 1v1s go, SS and Poison are definitely better, and there are probably a handful who are on a similar level.

2. I hardly think my reputation would crumble over losing a 1v1. I honestly won't care, I've never cared about losing as long as I lose fairly. I've always valued sportsmanship over winning.
