No, I genuinely don't, because you're making it up. Find the post where you asked me for a 1v1 and I declined. While you're at it, find the screenshots of you beating Pirate two games out of three. When you've done that, find the screenshots of Wiggles when he was in TRPM "Owning" me two games. When you've done that, find the screenshot of you beating Wiggles.

Oh wait, you can't find any of the above, because you fabricated each and every one of them. I'll gladly admit being wrong if you post the evidence, of course.

troopr02 wrote on Fri, 04 May 2007 15:58also because you havent said anything else about my thearies atleast says you know im correct in saying you would have a huge advantage, and since you've said similair things states its true

Why do you think this is a valid argument? I don't go around asking for 1v1s from everyone I think I can beat.
