troopr02 wrote on Fri, 04 May 2007 15:50 I dont have that kind of time jelly, I dont have 23 hours in a day to dedicated to rene as you seem to, and I wonder, do you eat and sleep? Dountb it. We used to be on way back when, played a few games won 95% of them, you can say they were shit clans idc, I had no idea how it worked or who was who, so that + the shitload of time wasted on that, and of what? I like the idea of setting up bigger cw's when I know ill have time once in a while, rather than play 6 2vs2 cws a day

ps, BBF sucks shit BECAUSE they banned him for 3 months, he said hes getting new nickname, IP, etc. Who the fuck gave him that right? It beens discussed before, and if you dont agree that is exactly what not to do, then i dont know what....

You can count the games I play on my server in a month, on one hand, ask anyone on our IRC about that if you like.

I play maybe 5-10 cw's over a whole weekend. So, where's this spare time that I have???

Edit

Way to to try and put me down personally, just shows how pretty pathetic your arguments are when you have to make it personal.

I don't feel the need to follow suit, I stated what you need to do to try gain some credibility, and being as predictable as you are, you got all e-hurt and tried to weasel out of it with some weak attempt at insulting me.

You own dude, seriously...
