InfinintIf you are at lest some what good at modeling and/or good at charicter models and are interseted in helping with a new mod please e-mail me at infinintmail@earthlink.net for more info on the nod please go to

<http://www.renegademappers.tk/>

What skills in modding to you actually poses?

Just a question, because i here all these guys saying they are starting a new mod, but they don't have 1 single skill to their name they just rely on recruting others, it kinda bugs me
