Speedy wrote on Thu, 10 May 2007 10:42 Well I didnt come here looking for sarcasm. I came here to ask a question Politely. And if you didnt have anything decent to say to me would you please fuck off out of the topic (No offence dude)

Quote:Then why not have just said that then instead of saying it sarcastically so that your mocking him ?

That probly would have been a better answer if you just told me straight up... This should probably get locked seeing as how im done with the question and don't really wna see this turn into a flame

why do you even bother saying no offense dude?

some people get offended when someone comes into their thread and starts making off topic jokes and pretty much ends up highjacking it alltogether.

you created this you have the right to straighten them out!
