FerhagoJavaxcxFerhagolf he has to ask then people like you will use an obscure quote to keep from divulging anything usefull to him.

How about, I'm concealing an exploit which can be used to hinder the gameplay of others.

Ok then carry on

Here is how you Obelisk walk.

Press f8 and type "obelisk walk super cheat"

A stealth monkey should appear. Get in the stealth monkey and fly out of your base. Ram it into a cliff and a secret potion will appear. Drink the potion to become immortal and then just walk right into the ob!

hey, you're spoiling out our secrets!
