Dave Mason wrote on Sat, 12 May 2007 17:34 Andy McKee is a brilliant player. He has a very impressive back catalog of tunes.

My mate has a CD of his work. If he ever remembers to bring it to college so I can borrow it I'll upload a few for you all.

Awesome. Dad knows a guy at work who's supposedly friends with him. Dad never bothered to look him up until recently.
