Viking wrote on Thu, 17 May 2007 01:51 I hate when you are winning and the other team only has 1 building left but they win on points because they sat in there base with APC's the whole fucking game!!!

(If you dont know you get most points with APC because each bullets gets points and it has a lot more bullets than say a tank dose)

minigunner gets most points for shooting at stank armor (green hp) cuz apc actually damage the stank 3 damage per shot minigunner does almost none...
