1)on level edit how can u change the keyboard command? like
"defend the powerplant" type ones?

2)and where are the 4 basic soldier presents at?

engie
minigunner
shotgun
and flame\gernador?

3)wheres the mob boss for nod i forget his name

4)where can i change the vehicle limit?
and sbh limit if possible

i may have asked some of these before if i did im sorry
