Poptart wrote on Sun, 20 May 2007 12:46 Maybe it is cause I'm new and dont know anyone here, or the history of this forum and its people. But, what exactly makes him so bad? although honesty just in seeing how he replies I think I see why you guys dont like him.

though, doesnt it sound like he does it for attention? and if thats the case, by arguing over him you are giving him said attention?
He claims he is the best at renegade, he's stubborn, and he dodges every game that someone challenges him with.
