AoBfrost wrote on Mon, 21 May 2007 15:25 Be sure to reinstall your renegade westwood online files, then when your done, use the xwis forwarding tool on xwis's website on your game and it will forward all your old cnc games (such as renegade, tib sun, red aler) those old ones to xwis meaning thats the REAL way to go if your going to play renegade, some people use gamespy, but that just means you only see like 20-30 servers while with xwis you can see like 100 servers.  
Unneeded: Renegade auto connects to Xwis.
