AprimeAbout an hour ago, I went in my town by the high-way that his still in construction on my bike to see my girlfriend, she was waiting for me outside, and she was crying, I already knew something bad was going on or happened earlier before I arrived.

She couldn't talk to me as she was crying too much ,later , she said she had some bad news for me.

I immediatly asked her : "What is it?"

She simply told me : "Isabelle commited suicide...", then ,she cried again, without stoping...

I was so shocked and sad, Isabelle was my girlfriend when I moved in this town, then ,she became my best friend...I don't know why she did this, but for sure, I don't wanna know how...

Aprime...
