Everyone who says "why all the argument?" and "its just for fun" and takes this topic as an offence personally .. if your on GSA or WOL..

Dont.

This topic is mainly aimed at the GSA players that I found mocking WOL vs GSA as i joined GSA. Alot of people don't really give a shit .. and personally I dont care really either, but I'll go ahead and have a word with the morons of WOL and GSA that DO consistantly pound on the other end with cyber server racial comments.

No offence to non-perticipants

And no doubt theres some good GSA players.
