I highly doubt it, Its WAY too good to be fake.
A second opinion is in order.

Look, if it were fan-fiction, it would be VERY noticeable, things that dont go together, probably incorrect grammer, things just would look like a proper Harry Potter Book.

Besides, I posted on the HPANA forums, my post got deleted, and they told me no spoilers. I tried posting again, and the Moderator, dingbat1 PM'ed me telling me that not to spoil it for everyone, if it were fan fiction, i highly doubt that it would have started such an uproar.

To prove I even posted, some other person on the forums posted in their reply "Cheekay77-er... I'm not sure if or how you would have a pirated copy but I think all of us are agreed with no spoilers here. We want to learn all of it when we really get to read it"
