Better you remove it from public

So you don't deny cheating?

He was pissy that his IP was shown in public. If someone accused me of cheating, I'd probably just laugh.

Quote:Merovingian

IP's are public anyway, so stfu.

That is a pretty tasteless thing to do. Unless he was in the "Banned" section, it shouldn't be made public knowledge.

Any mod with some class knows that.
