Sir Phoenixl "remark on everything" because I express my opinion about this stupid idea?
:rolleyes:

I "remark on everything" myself because:

A) Certain things need to be said.

B) I love the community.

C) I also express my opinions.

But I think Dante should be a moderator for the "Support"...

By "expressing my opinion" I hope not to make any enemys...

I think Carl is right he may well be too busy if so I think Creed would make a good moderator.
