You mean this one?

Quote:

Amendment IX

The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people

So we shall go to the Constitution:

Quote:We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare (health, happiness, or prosperity; well-being - warranto), and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

Perhaps you could be a little more specific?
