SSAOW 1.51 isnt out, SSAOW is made and maintained by whitedragon from [www.black-cell.net](http://www.black-cell.net).  
Untill he releases a ssaow it isnt officiall. That 1.51 is just called so for ease of confusion, it is just  
a small mod on ssaow 1.5, it is not claimed to be it's successor.
