gamemodding wrote on Sun, 03 June 2007 20:28I was forced to run this "program" when I was forceRGed on my favorite server, but, I couldn't run it for more than half an hour before it disconnected and I got kicked. Problem caused by me? I think not. Renegade would be more alive if this "program" never existed.

What server is that?

And which n00b forceRGed you?

Cos if you start owning and one person does it, then pretty soon some other n00bs will see the oppertunity...
