Subject: C++ and VB
Posted by wittebolx on Wed, 06 Jun 2007 12:48:55 GMT

hi,

i need help with adding some cool stuff in my game
but i dont know anything about C++ or VB

I hope there is someone that can help me build things for me.
if you know C++ and/or VB and you wanna help a Newbie out, please leave a message or contact me.
