L3f7H4nd3dBlazerI love the mod, but couldn't you guys do better preview/screenshots? Take this one for instance: [http://renalert.arm-ent.com/screenshots/beta/rc1/renalert\\_RC1\\_10.jpg](http://renalert.arm-ent.com/screenshots/beta/rc1/renalert_RC1_10.jpg)

Is that dark view of the back of Tanyas head supposed to make me want to play the game or show me some cool features of the map?

Doesn't look like Tanya to me...

Hmm the screenshot has changed since I was at work Dude, wth is that...a sniper view of the ground? You guys are the worst promoters I have ever seen lol.
