u6795 wrote on Sat, 09 June 2007 13:35l don't know the answer to your question but I just want to say this before it happens- Please put your questions all in one thread, don't make a new thread for every single question. People get pretty annoyed (and rightfully so) when one person is asking 7 questions in 9 different threads.

Sorry for the OT, but your avatar matches your post so well!
