Yeah I agree...if people want to use this forum, then they better agree to EACH AND EVERY rule or get the hell out.

Sorry to be rude but this thread is a perfect opportunity for me to thank Crimson and the BHS staff on their great efforts to keep this great game alive.

Without their efforts, this game would be good as dead...of the many forums I am a part of, I can say this is the best and well-kept of them all.

And to those who hate RenGuard:
